

Active Insight: Evidence in Action

Tip #1136

Developing Staff Succession Opportunities

Overview

Staff succession opportunities strengthen participation, confidence, wellbeing, and belonging through sustainable leadership experiences supporting meaningful engagement. Inclusive leadership environments encourage communication, collaboration, and positive decision-making while strengthening recreation continuity and participation pathways. Students benefit from supportive leadership opportunities promoting motivation, active involvement, and lifelong physical activity participation across educational communities successfully together consistently.

Key Teaching Ideas

Sustainable leadership experiences strengthen engagement by encouraging communication, collaboration, and meaningful movement participation throughout recreational settings. Develop leadership succession opportunities supporting confidence, responsibility, and positive decision-making during activities. Facilitate supportive participation approaches, sustainable recreation planning, and reflective discussions helping students strengthen relationships, maintain engagement, and develop sustainable physical activity habits supporting lifelong recreation involvement successfully across communities consistently.

Practical Application

- Develop leadership succession opportunities.
- Facilitate supportive participation approaches.
- Coordinate sustainable recreation planning.
- Strengthen leadership participation regularly.
- Assess succession engagement consistently.
