

Active Insight: Evidence in Action

Tip #836

Active Citizenship Through Collaborative Movement

Overview

Citizenship movement opportunities strengthen participation, confidence, wellbeing, and collaboration through community-based learning experiences supporting meaningful engagement and teamwork. Inclusive learning environments encourage communication, teamwork, and positive decision-making while strengthening participation pathways and civic understanding. Students benefit from supportive citizenship opportunities promoting motivation, active involvement, and lifelong physical activity participation successfully together consistently across communities regularly.

Key Teaching Ideas

Effective citizenship movement experiences strengthen engagement through collaboration, communication, and reflective participation opportunities supporting meaningful learning. Facilitate community movement opportunities encouraging teamwork, confidence, and positive decision-making throughout activities. Use inclusive participation strategies, reflective discussions, and collaborative planning approaches helping students strengthen relationships, maintain engagement, and develop sustainable movement participation habits across diverse learning environments consistently successfully together throughout participation experiences regularly.

Practical Application

- Facilitate community movement experiences supporting collaborative citizenship participation opportunities.
- Use teamwork activities strengthening reflective participation and engagement experiences regularly.
- Create inclusive challenges encouraging collaborative citizenship participation opportunities consistently.
- Encourage reflective discussions supporting community participation and confidence regularly.
- Provide adaptive movement opportunities strengthening collaborative citizenship engagement consistently.

Next Steps

Explore Respectful Relationships resources supporting collaborative citizenship participation opportunities.

Respectful Relationships approach is informed by the Resilience, Rights and Respectful Relationships teaching and learning materials (Department of Education and Training Victoria, 2018), social and emotional learning frameworks (CASEL, 2020), and contemporary research in gender equality, consent, and respectful relationship education.
